

Product data sheet

Characteristics

PDL56E2/25/25RW

Enclosure, 2-Gang, 2x25mm 1x32mm Conduit Entry, Resistant White

Main

Range	56 Series
Product or component type	Enclosure

Complementary

Mounting mode	Surface mounted
Fixing center	75 x 140 mm
Number of gangs	2 x 1 gang
Material	PVC (polyvinyl chloride)
Surface finish	Gloss
Colour tint	White
Length	198 mm
Width	102 mm
Depth	63 mm
Quantity per set	Set of 3
Type of packing	Carton

Environment

Ambient air temperature for operation	-40...55 °C
IP degree of protection	IP66

Offer Sustainability

EU RoHS Directive	Under investigation
