

# 360° PIR Dual Mount Sensors

## Smart Sense 360° Sensor

Smart Sense offers presence detection up to 22m diameter for extra wide spacing. High sensitivity occupancy zone detects smaller movement and the versatile dual mount unit allows for convenience in both surface and recess applications.

- Triple PIR for extra wide detection.
- All in one surface or recess mount.
- Occupancy detection High/Low sensing zones.
- Setting controls under the front cover.

 2000W	 360° Detection	 3 Head PIR 22m Diameter	 Time on Adjustment 10 Sec - 40 Min
 Dusk to Dawn 2 - 2000 Lux Adjustment	 IP44 Rated Surface Mounted	 Occupancy Zone Detection	 Easy Access Control Adjust

## Technical Information

Downward Angle	360°	Manual Control	Yes
Range (metres)	22	Maximum Switching	2000W
Number of Adjustable Controls	3	Mounting	Ceiling
Time On Adjustment	10 secs - 40 mins	IP Rating	IP44
Dusk Level Control	2-2000 lux	Warranty	3 years
